Dear Miswanto Miswanto

Your article title **EQUITY MARKET PRICE AND ITS EFFECT ON CAPITAL STRUCTURE AND EQUITY ISSUE** is already in review process in AIC-2016. However, I request you to register to this website <http://aic2016.asiamediterranean.org/> and submit your full paper again. This is due to change in the website to make our online system more efficient. This will not effect your review process. I am really obliged on your support.

Dear Miswanto

Greetings from AISA and UTM ICC,

This is the time for AIC-2016 registration. Please fill up the form given in the link below for registration in the 2nd Asia International conference. Several activities have been planned to make AIC-2016 more interesting and interactive. These activities are

1. [Pre-conference workshop series](#)
2. Poster presentation (Winner prize RM 1000) (rules are attached)
3. 5M5S (5 minute 5 slides competition) (Winner prize RM 1000) (rules are attached)
4. Gala Dinner and awards ceremony

Pre-conference workshop series is designed to enhance research skills and knowledge for the participants. 5M5S is interesting and interactive competition based on the presenter's ability to briefly explain their research within 5 minutes using 5 slides only. Winner will be given RM 1000 cash prize. Poster presentation is the competition in which presenter needs to present their research using a poster. Winner will be given RM 1000 cash prize. Finally the gala dinner is to provide the opportunity to interact with researchers from different regions of the world. We encourage you to participate in these activities.

About your presentation

Presentation template is attached with the email. Follow the instruction given below to prepare your presentation

1. Template is attached with. Use this standard template for your presentation.
2. If you are willing to participate in 5M5S or poster presentation competition please read the rules attached with email.
3. Save your presentation with name of your abstract id. For example if your abstract id is AIC-2016-FMM-001, your presentation file name should be AIC-2016-FMM-001.
4. Please send your presentation at presentation.aic2016@gmail.com before 25th November 2016.

Dear Miswanto

Greetings from ASIA and UTM ICC,

Thank you for participating in Asia international Conference 2016. Your presence graced this occasion and AIC became one of the most prestigious conferences in Malaysia every year. This year we received above 650 abstracts from 22 countries in the field of social sciences and shortlisted 300 candidates for the oral presentations. To encourage international and national participants, this time AIC-2016 provided travel grant to 15 participants from different regions in order to compensate their travelling expenditure. This year ASIA team initiated 5 minute 5 slides (TM) and poster presentation competitions during AIC-2016. Winner of both events have Received cash awards. Other than this we have selected best paper awards from each session. The best paper award certificate has already been sent to these participants. The list of best paper awardees is available at our facebook page. To See more details, pictures, videos and our future events please add our official facebook account at link below.

Dear Miswanto

We are happy to share with you that review process of AIC-2016 has been completed successfully. However, if you did not receive review of your article please immediately contact Dr. Muhammad Imran Qureshi through email at miqureshi80@gmail.com or through whatsapp ([+601126277412](tel:+601126277412)). If you have already received your paper's review, please revise according to the reviewers comments (if any) before 10th March 2017. If you have already submitted revisions, please wait for our next email.

We are also in the process of verification of the journals Scopus status. We will ensure that all articles will be published in Scopus indexed journals. Once these processes have been completed we will send articles for publication. However, this may require another round of correction as per journals formatting requirements before publication. Please be patient. All articles will be published in the HEC / Scopus indexed journals as we promised. We are trying hard to finish the process as soon as possible.

Please ignore this email if you did not participated in AIC-2016.

We are also happy to announce our next conference in Universiti Teknologi Malaysia, Johor Bahru.

We would like you invite for participation in upcoming Conference. Please see flyer for more details. You can also visit our website

<http://www.utm.my/asia/>

Dear Miswanto,

We want to extend this news that we are finally complete all the formalities and review process for publication. Thank you for your patience. AIC 2016 conference papers will be published soon. However, it is not possible without your cooperation. During the verification of the journals Scopus status we found that the three of our collaborating journals were dropped from Scopus Status (i.e. Indian Journal of science and technology, International review of Management and Marketing, International Journal of economic and financial issues) . However, AIC 2016 organizers will fulfill their promise for publishing your article in SCOPUS indexed journal. Thus, we shifted your article to advance science letters (Scopus indexed). We need your attention and request you to do the following immediately.

1. Attached with are the ASL template and authors copyright transfer agreement. please revise your final article as per the ASL template (Referencing style specially) and sign and scan copy right from.
2. Please rename your article file as per your abstract id (e.g. AIC-2016-AMOS-001)
3. Please emails these files (article in MS word file, Agreement in Pdf file) to aic2016@utm.my before 29th March 2017.

Your immediate response is helpful for us to expedite the publication process.

Advanced Science Letters
COPYRIGHT TRANSFER AGREEMENT

In order to expedite the publication process, the transfer of copyright from the contributor(s) should be clearly stated to enable American Scientific Publishers (ASP) to disseminate your work to the fullest extent. The following copyright transfer must be signed and returned to the American Scientific Publishers, 28850 The Old Road, Suite 208, Valencia, California 91385, USA, as soon as possible after the manuscript is accepted for publication. The copyright to the published and original research article, including copyright to the cover illustration, abstract (forming part thereof) should be transferred. By signing this agreement, the contributor(s) warrant that the entire work is original and unpublished; it is submitted only to this Journal and all text, data, figures/tables or other illustrations included in the work are completely original and unpublished, and those have not been previously published or submitted elsewhere in any form or media whatsoever. Each contributor(s) agree to transfer all copyrights of this work to the Journal.

Manuscript Title: Equity Issue and A Long-term Effect of Equity Market Timing on Capital Structure

Contributor(s): Miswanto Miswanto

- is hereby transferred and assigned to American Scientific Publishers for the full term of (inclusive copyright and any extensions or renewals of that term) throughout the world, (including but not limited to) publish, disseminate, transmit, store, translate, distribute, sell, republish and use the Contribution and material contained therein in print and electronic form of the journal and in other derivative works, in all languages and any form of media of expression available now or in the future and to license as permit others to do so.
- (1) The contributor(s) explicitly reserve the following rights:
 - (a) All proprietary rights other than copyright, such as patent rights.
 - (b) Make photocopies of his/her own work for his/her own classroom teaching and research purposes, and use part of the article and abstract, without revision or modification in own personal compilations provided that (i) such prior copies and works are not resold or disseminated by authors and any other recipient parties whom recipients are informed that no further photocopying or dissemination of Article is allowed and (ii) reference to the original source of publication and the name of the American Scientific Publishers as copyright holder is clearly stated on any use made of the article.
 - (c) Contributions should not post the Article on open websites or disseminate through an internet to anyone whatsoever.
 - (d) The right to use, figures/tables or other illustrations of Article (as not) in subsequent publications of the authors' own works provided that written permission is obtained from Publisher and that a proper acknowledgment is made to the original source of publication and to the Publisher.
 - (e) Any other use or reproduction in a collective work requires a fee and permission from Publisher.
 - (f) The right to grant or refuse permission to third parties to republish part of the article or materials thereof. However, the publisher except at the discretion of the contributor(s) will not refuse such permission.
 - (g) American Scientific Publishers reserves the right to use all figures on any of its publication covers from the submitted manuscript. Each author(s) also grants American Scientific Publishers the right to use his or her name and all biographical data in the article for its or the journal's promotion.
 - (2) If the article has been prepared by an employee within the duties of his or her employment, the employer reserves the right to make copies of the Work in print format for its own internal use or for promotional purposes only provided that proper reference is made to the original source of publication and to the Publisher. If the manuscript has been prepared as a work made for hire, both employer and employee should sign the copyright transfer.
 - (3) If the article was prepared under the U.S. Government contract, the transfer of copyright is effective to the extent that such copyright is transferable.

Each contributor(s) warrants that his or her research institution has fully approved the protocol for all scientific studies involving animals or humans and that all experiments of any kind were conducted in compliance with ethical and humane principles of research after approval.

The contributor(s) warrant that the work contains no unlawful or libelous statements and opinions and liable materials of any kind whatsoever, does not infringe on any copyrights, intellectual property rights, personal rights or rights of others, nor contains any plagiarism, translation, improperly attributed materials, instructions, procedures, information or ideas that might cause any harm, damage, injury, losses or costs of any kind to person or property. The contributor(s) also represent and warrant that they have full power and authority to enter into this Agreement. All contributors are fully responsible for the complete contents of the manuscript. Each contributor(s) agrees to defend, indemnify, and hold harmless American Scientific Publishers and the Editors for any breach of warranties under this agreement. The undersigned hereby transfer the exclusive copyright interests in the above cited manuscript to the American Scientific Publishers, with the consent of all contributors.

Whichever publisher is contacted by third parties for individual permissions to use in a collective work, reprint for library reserve or classroom or otherwise, the undersigned Contributor's or employer's permissions will also be required.

This agreement should be signed by the Contributor(s) or in the case of multiple contributors, by at least one of the contributors who agrees to inform other co-contributors the full terms of this agreement and have their full permission to sign on their behalf.
